EDUCATION

KLN COLLEGE OF ENGINEERING

Master of Computer Application

CGPA: 8.1/10

Sivaganga, TN

Sep 2023 - Jun 2025

KLN ARTS AND SCIENCES COLLEGE

Bachelor of Information Technology

CGPA: 7.9/10

Sivaganga, TN

Jun 2019 - Apr 2022

WORK EXPERIENCE

MIND VISION TECHNOLOGIES

Front End Developer Intern

Madurai, TN

Jan 2025 – Jun 2025

- Developed 10+ responsive user interfaces using React.js and Vue.js, boosting user engagement by 30% and reducing load times by 15%.
- Refactored 15+ legacy jQuery modules into modular Vue components and React hooks, reducing code duplication by 40%.
- Integrated 5+ RESTful and GraphQL APIs, enhancing data fetching and lowering API latency by 25%.
- Engineered a responsive quiz platform using adaptive CSS grid layouts, ensuring optimal user experience across 12+ device types; achieved a 90% satisfaction rating in user testing on mobile.

UNIVERSITY PROJECTS

REAL-TIME BLOG WEB APPLICATION

May 2025

- Developed a full-stack blog platform using **React.js**, **Node.js/Express.js**, and **MongoDB**, enabling dynamic content management.
- Implemented **CRUD operations** and **real-time commenting** with **WebSockets** to enhance user engagement and interactivity.
- Built **secure user authentication and authorization** using **JWT** and **bcrypt**, ensuring data protection and role-based access.
- Designed a **responsive UI** using modern CSS frameworks to ensure seamless performance across mobile and desktop devices.

CAR RENTAL SERVICES

Apr 2023

- Designed and developed a **responsive user interface** for a car rental platform using **PHP**, incorporating real-time data display for enhanced user engagement.
- Ensured **cross-browser compatibility** and optimized website performance by implementing **mobile-first design principles**, resulting in improved user experience across devices.

QUIZ MANAGEMENT PLATFORM

Nov 2022

- Developed a dynamic quiz platform with timed questions, automated grading, and user-friendly interface.
- Collaborated with the PHP backend team to integrate real-time features and ensure smooth data flow.
- Focused on responsive design and optimized performance for various screen sizes and devices.
